

Thank you to all of you tournament bowlers

I just wanted to apologize for the delay on the payoff. We had a storm come through in the month of May and took out our Back office computer, it is the computer that operates the scoring and is also the Computer that does all of our tournament standings and league standings I had to send this off to California to be repaired or replaced. It is fixed now. However, I had to input all the scores into our new tournament Program and then verify averages and then do the prize list

Checks are being printed and will be mailed out no later than July 8th

Again Sorry for the delay

Dody's 9 Pin No Tap 2017

Final Standings
