---

Our friendly staff makes every visit a positive experience. We can offer an event that your group will be talking about for a long time to come.

## Frequently Asked Questions

### Can I walk in with a group and receive group pricing?

Walk-in groups are subject to regular open-bowling rates at that time. Reservations must be made 72 hours in advance, require a deposit, and are based on lane availability.

### I have 10 people, does this qualify as a company group?

Unfortunately our minimum for company groups is 15 people due to the pricing and preparation for group events. We do have other options available for smaller groups.

### I only had 20 people show up out of a 25 person reservation. Why am I being charged for all 25?

The number of guests confirmed within 48 hours of your party will be the number of guests charged for on the day of the event.

### Can I use free game coupons for party payment?

Because group pricing is not based on a per-game rate, free game coupons will not be accepted for party payment. Our gift cards can however be used on a party balance.

### Can we pay individually for our group?

In order to avoid any excess confusion or miscommunication, only group payments will be accepted for group events.
